Record Date, Voting Rights and Outstanding Shares

The Board of Directors has fixed March 22, 2021, as the record date for determining the holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$0.001 par value per share, Class B Common Stock, \$0.001 par value per share, and Series AA Preferred Stock, \$0.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On March 22, 2021, there were outstanding and entitled to vote 86,671,308 shares of Class A Common Stock, 14,420,085 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the issued and outstanding shares of Class A Common Stock, Class B Common Stock, and Series AA Preferred Stock entitled to vote at the close of business on March 22, 2021 will constitute a quorum for the transaction of business. If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a "broker non-vote." We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting for purposes of determining whether a quorum exists.

Holders of our Class A Common Stock who do not attend the virtual Annual Meeting may vote their shares electronically via the internet or by telephone, or may request printed proxy materials and submit the proxy card enclosed therein by mail. Holders of our Class B Common Stock and Series AA Preferred Stock who do not attend the virtual Annual Meeting may vote their shares by submitting the proxy card enclosed in our printed proxy materials by mail, but may not vote their shares electronically via the internet or by telephone.

Internet and telephone voting are available through 11:59 p.m. Central Daylight Time on May 19, 2021. Proxy cards sent by mail, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

- **FOR** the election of the director nominees named herein;
- **FOR** the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2021 fiscal year; and
- In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

Shares counted as present at the Annual Meeting that abstain from voting on a particular matter or that are represented by a broker non-vote as to a particular matter will not be considered as votes cast on that matter. Accordingly, abstentions and broker non-votes will not affect the outcome of any matter to

be voted on at the Annual Meeting that requires the affirmative vote of a certain percentage or a plurality of the votes cast on a matter to approve it.

Voting of Proxies

If you hold shares of our Class A Common Stock, please refer to the Notice for instructions regarding how to access our proxy materials and vote your shares electronically via the internet or by telephone. The Notice also contains instructions if you would like to receive a paper copy of our proxy materials and vote by mail. You may also vote at the virtual Annual Meeting. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

If you hold shares of our Class B Common Stock or Series AA Preferred Stock, you may vote by mail by submitting the proxy card enclosed in our printed proxy materials.

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary at our principal executive offices, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808. You may also revoke your proxy by attending the virtual Annual Meeting and voting through the virtual Annual Meeting platform. If you do not revoke your proxy, we will vote the proxy at the Annual Meeting in accordance with the instructions indicated on your proxy card.

Householding of Annual Meeting Materials

As permitted by the SEC, we have adopted a procedure called “householding” to satisfy the rules regarding delivery of proxy materials. This means that only one copy of our Notice or proxy materials may have been sent to multiple stockholders with the same last name in your household. We will promptly deliver a separate copy of any document to you upon request. Family Relationships

Kevin P. Reilly, Jr., our Executive Chairman of the Board, Sean E. Reilly, our Chief Executive Officer and President, and our directors Anna Reilly and Wendell Reilly are siblings. Kevin P. Reilly, Jr., Anna Reilly and Wendell Reilly are also nominees for director at the Annual Meeting.

BOARD OF DIRECTORS AND COMMITTEES

During the year ended December 31, 2020, our Board of Directors held eight meetings. Each of our directors attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of meetings of our Board's committee meetings for the committee(s) on which that director served. The Board has standing Audit, Compensation, and Nominating and Governance Committees. During the year ended December 31, 2020, the Audit Committee held five meetings, the Compensation Committee held six meetings, and the Nominating and Governance Committee held two meetings. We encourage, but do not require, our Board members to attend the Annual Meeting of Stockholders. Last year, all of our directors attended the Annual Meeting of Stockholders.

Leadership Structure. Kevin P. Reilly, Jr. currently serves as our Executive Chairman of the Board, and Sean E. Reilly serves as our Chief Executive Officer and President. The Board does not have a policy regarding the separation of the roles of Executive Chairman of the Board and Chief Executive Officer, as the Board believes it is in our best interests to make this determination based on an assessment of the current condition of our Company and composition of the Board. The Board has determined that having a member of senior management serve as Executive Chairman of the Board and a separate member of senior management to serve as Chief Executive Officer is in the best interests of our stockholders at this time. This structure makes the best use of management's extensive knowledge of the Company and our industry, as well as fostering greater communication between management and the Board.

Director Independence. The Board has determined that Messrs. Koerner, Loeb, Mumblow and Reifenheiser and Mss. Thompson and Fletcher are "independent directors" as defined in the Nasdaq Stock Market listing standards, based on information known to the Company and on the annual questionnaire completed by each director.

Meetings in Executive Session. Our independent directors have regularly scheduled meetings at which only independent directors are present. During 2020, the independent directors met in executive session on two occasions.

Risk Oversight. As part of its charter, the Board is responsible for monitoring the risks that affect the Company, including operational, legal, regulatory, strategic and reputational risks. As part of routine Board meetings, management presents the Board with updates regarding key facets of the Company's operations. The Board is responsible for assessing risks based on their working knowledge of the Company and the risks inherent in its business. As discussed below, the Audit Committee is responsible for monitoring the Company's financial risk.

Audit Committee. The Audit Committee currently consists of Stephen P. Mumblow (Chair), Thomas V. Reifenheiser, Marshall Loeb and John E. Koerner, III. Our Board of Directors has determined that each member of the Audit Committee satisfies the independence and financial literacy requirements as defined by applicable Nasdaq Stock Market listing standards governing the qualifications of Audit Committee members. Stephen P. Mumblow qualifies as an "audit committee financial expert" under the rules of the SEC and satisfies the financial sophistication requirements under applicable Nasdaq Stock Market listing qualifications. The Audit Committee assists our Board of Directors in fulfilling its responsibility for general oversight over the integrity of our financial statements, including compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function. The Audit Committee is also responsible for the appointment (and when appropriate, replacement) and oversight of our independent registered public accounting firm and our internal auditor. The Audit Committee operates under a written

charter adopted by the Board of Directors. The Board has delegated to the Audit Committee the responsibility of monitoring the Company's financial risks. Any material financial risks identified by the Audit Committee are reported to the full Board.

Compensation Committee. The Compensation Committee currently consists of Thomas V. Reifenheiser (Chair), John E. Koerner, III, Stephen P. Mumblow and Nancy Fletcher, all of whom our Board has determined are independent directors under the listing standards of the Nasdaq Stock Market governing the independence of directors. The Compensation Committee's responsibilities include evaluating the performance of the Chief Executive Officer and our other executive officers and reviewing and determining such officers' cash and equity-based compensation and benefits. The Compensation Committee operates under a written charter adopted by the Board of Directors. For additional information regarding the Compensation Committee's role in setting compensation, delegation of their authority and our use of compensation consultants, please see the Compensation Discussion and Analysis section of this proxy statement, which begins on page 19.

Nominating and Governance Committee. The Nominating and Governance Committee currently consists of John E. Koerner, III (Chair), Thomas V. Reifenheiser, Stephen P. Mumblow and Elizabeth Thompson, all of whom our Board has determined are independent directors under the listing standards of the Nasdaq Stock Market governing the independence of directors. The Nominating and Governance Committee's responsibilities include identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Stockholders, as well as candidates to fill vacancies on the Board. Additionally, the Nominating and Governance Committee recommends to the Board the directors to be appointed to Board committees. The Nominating and Governance Committee also developed and recommended to the Board a set of corporate governance guidelines and oversees the effectiveness of our corporate governance in accordance with those guidelines. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors.

To assist in identifying director candidates in the future, the Nominating and Governance Committee may engage the services of third party firms. The Nominating and Governance Committee also considers director candidates suggested by members of the Nominating and Governance Committee, other directors, management and stockholders. The process followed by the Nominating and Governance Committee to evaluate director candidates, includes evaluating biographical information and background materials relating to potential candidates and interviewing (with Board members) selected candidates.

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

- the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;
- the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;
- whether the candidate meets the independence requirements under applicable Nasdaq Stock Market listing standards; and
- the extent to which the candidate holds any position that would conflict with responsibilities to the Company.

The Nominating and Governance Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

The Nominating and Governance Committee and the Board do not have a formal diversity policy. In identifying nominees for director, however, consideration is given to the diversity of professional experience, education and backgrounds among the directors so that a variety of points of view are represented in Board discussions and deliberations concerning our business.

Stockholders may recommend candidates for the Nominating and Governance Committee to consider as potential director nominees by submitting names, biographical information, and background materials to the Nominating and Governance Committee, c/o General Counsel, Lamar Advertising Company, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808. The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Nominating and Governance Committee's charter. See "Board of Directors and Committees—Committee Charters" below. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria used for candidates submitted by Board members. The Nominating and Governance Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in "Deadline for Stockholder Proposals and Director Nominations" below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Our Compensation Committee has responsibility for establishing, implementing and maintaining the compensation program for our executive officers. For the year ended December 31, 2020, our executive officers consisted of Kevin P. Reilly, Jr., Sean E. Reilly, and Jay L. Johnson, who are also referred to herein as the “named executive officers.” This Compensation Discussion and Analysis sets forth the objectives and material elements of the compensation paid to our named executive officers for fiscal 2020.

Impacts of COVID-19 Pandemic

A significant portion of the compensation paid to our executive officers is in the form of performance-based cash and equity awards, as discussed below. The performance goals under these programs were established in early March 2020. In setting these goals, the Compensation Committee did not consider potential impacts of the COVID-19 pandemic on the Company’s business. As a result of the impacts of the COVID-19 pandemic and resulting macroeconomic effects on the Company’s business in 2020, none of the pre-established performance goals were achieved. The Compensation Committee did not adjust performance criteria for the executive officers and, except as noted below under “Compensation Paid to Jay L. Johnson,” did not make any discretionary grants to its executive officers in respect of 2020 performance.

Executive Compensation Philosophy

The primary objective of our executive compensation program is to retain and reward executive officers who contribute to our long-term success. We believe this requires a competitive compensation structure both as compared to similarly situated companies in the media industry and other companies that are our peers in terms of annual revenues. Additionally, we seek to align a significant portion of executive officer compensation to the achievement of specified Company performance goals. Incentive cash bonuses are included to drive executive performance by having pay at risk so that a significant portion of potential cash compensation is tied to goal achievement. We also include performance-based equity grants as a significant component of prospective executive compensation so that the value of a portion of executive compensation is tied directly to the performance of our Class A Common Stock. In addition, discretionary bonuses may be made to executive officers based upon accomplishments outside the scope of the performance metrics used in the Company’s incentive programs.

Use of Compensation Consultants and Peer Group Data

The Compensation Committee did not consult with any compensation consultants in conjunction with its executive officer compensation determinations for fiscal 2020. The Compensation Committee did not set executive officer compensation to a specific percentile of the range of total compensation represented by a specified peer group when making its executive compensation determinations for fiscal 2020.

Material Elements of Executive Officer Compensation

The key elements of compensation for our executive officers are base salaries, performance-based cash incentive awards and performance-based equity awards. Executives may also participate, on the same terms as all other employees, in a 401(k) retirement savings plan and health and welfare benefits.

[Table of Contents](#)

Base Salary. We pay a base salary to each of our named executive officers. The objective of base salary is to provide a fixed component of cash compensation to the executive that reflects the level of responsibility associated with the executive's position and is competitive with the base compensation the executive could earn in a similar position at comparable companies. Base salary for our named executive officers is reviewed annually in light of market compensation, tenure, individual performance, Company performance and other subjective considerations. Typically, Kevin P. Reilly, Jr. makes recommendations to the Compensation Committee with regard to base salary for the executive officers that he believes are justified in light of these considerations.

In March 2020, the Compensation Committee reviewed current base salaries in conjunction with Kevin P. Reilly, Jr. The Compensation Committee reviewed the roles and responsibilities of each executive officer and determined that no changes were warranted.

Performance-Based Incentive Compensation. The Company's incentive compensation program for executive officers consists of two types of awards that are granted under the Company's 1996 Equity Incentive Plan, as amended: (i) a performance-based incentive cash bonus and (ii) a performance-based incentive equity award. This compensation program was designed by the Compensation Committee to link a significant portion of overall executive officer compensation to the achievement of enumerated performance targets. By including a fixed share equity award as a significant portion of executive compensation, the aggregate value of each executive officer's compensation is dependent on the performance of the Company's Class A Common Stock.

Incentive Cash Bonus. In March 2020, the Compensation Committee set target amounts for incentive cash bonuses for each of Kevin P. Reilly, Jr., Sean E. Reilly and Jay L. Johnson with corresponding performance goals. The Compensation Committee reviews those target amounts annually based on the executive's roles and responsibilities, the Company's performance, and the current economic environment. The Compensation Committee determined that the 2020 target incentive cash bonus of the Kevin P. Reilly, Jr., Sean E. Reilly and Jay L. Johnson, would remain unchanged at \$250,000, \$400,000, and \$300,000, respectively. The Compensation Committee then approved the performance goals for 2020 pursuant to which any payout of incentive cash bonus awards would be based. The Compensation Committee also continued its practice of providing the possibility of higher payouts that provide incentives for superior performance above the 100% targeted levels of achievement, which can result in an incentive cash bonus in an amount that is up to 200% of the target amount.

When setting the performance goals for these executive officers' incentive cash bonuses for fiscal 2020, the Compensation Committee met with management to review current operating budgets and financial projections along with any current initiatives that could impact the Company's anticipated 2020 results. The Compensation Committee determined that the Company's pro forma net revenue growth and pro forma earnings before interest, taxes, depreciation and amortization and adjusted for gain or loss on disposition of assets and investments (referred to in this proxy statement as "EBITDA") growth continue to be the appropriate measures on which to base incentive compensation as these measures are the primary measures used by both management and the investor community to evaluate the Company's performance.

The Compensation Committee's goal when determining the specific performance thresholds is to set target (100%) goal achievement at a challenging but achievable level based on the 2020 operating budget in order to provide appropriate incentives for management in the context of the current fiscal year's projected results and current business plan. To align the Company's performance and the level of award achievement, the Compensation Committee maintained a 65% threshold for minimum achievement of both cash incentive and equity incentive awards. The 2020 performance goals for incentive cash bonuses

[Table of Contents](#)

were based on achievement of pro forma revenue growth and pro forma EBITDA growth for fiscal 2020 over fiscal 2019 with 50% of the total bonus amount tied to each metric. Tables setting forth the actual performance thresholds for fiscal 2020 are set forth below on pages 22 and 23.

Following this review, the Compensation Committee certified that the pro forma net revenue growth and pro forma EBITDA growth goals were not achieved. None of Kevin P. Reilly, Jr., Sean E. Reilly, or Jay L. Johnson received a 2020 cash incentive bonus.

Incentive Equity Awards. The Compensation Committee also determined the target amount of incentive equity awards for each of Kevin P. Reilly, Jr. and Sean E. Reilly at its March 2020 meeting. As discussed below, the Compensation Committee previously agreed to a fixed equity award for Jay L. Johnson in connection with his initial employment with the Company, so he did not receive an incentive equity award. These target equity award amounts were set at 22,000 and 44,000 shares of Class A Common Stock, respectively, for each of Kevin P. Reilly, Jr. and Sean E. Reilly. The target amount of shares has remained unchanged with respect to Sean E. Reilly since 2006. With respect to Kevin P. Reilly, Jr., the target amount of shares was reduced from 44,000 in the prior year, which the Compensation Committee determined was appropriate in light of Sean E. Reilly assuming the role of President of the Company, previously held by Kevin P. Reilly, Jr., in early 2020. The Compensation Committee reaffirmed its belief that fixed share amounts provided appropriate incentives and alignment with interests of stockholders.

Under the terms of the Company's incentive equity award program, no shares of stock are issued unless and until the relevant performance goals have been met and certified by the Compensation Committee. Any earned shares are issued as soon as practicable following such certification and are fully vested at the time of issuance. The Compensation Committee feels that the use of stock awards as a part of its compensation program aligns executive compensation to the creation of stockholder value but not to such an extent that it would create incentives for executives to focus solely on short-term stock appreciation to the exclusion of long-term strategy.

The pro forma revenue growth and pro forma EBITDA growth metrics for fiscal 2020 over fiscal 2019 used in the context of the incentive cash awards were used to determine the achievement of incentive equity awards. Unlike incentive cash awards, there is no opportunity to achieve greater than 100% of the target equity awards.

On that basis, (i) the Company's pro forma net revenue growth resulted in attainment of 100% of each named executive officer's target incentive equity award for 2020 based on revenue and (ii) the Company's pro forma EBITDA growth resulted in attainment of 95% of each named executive officer's target incentive equity award for 2020 based on EBITDA. The total 2020 incentive equity awards earned by each executive is set forth below and reflected in the Stock Awards column of the 2020 Summary Compensation Table (see footnote 1 to the 2020 Summary Compensation Table, which describes the assumptions underlying the calculation of the aggregate grant date fair value of these awards).

Following this review, the Compensation Committee certified that the pro forma net revenue growth and pro forma EBITDA growth goals were not achieved. Neither Kevin P. Reilly, Jr. nor Sean E. Reilly received a 2020 incentive equity bonus.

(1) Pro forma EBITDA growth is calculated in the same manner as pro forma net revenue growth with adjustments being made in the 2019 period to reflect acquisitions and divestitures for the same time frame as actually owned in 2020 and is also adjusted, solely with respect to calculation of incentive cash bonuses, to eliminate any expense in the period related to executive bonuses.

Compensation Paid to Jay L. Johnson

At the time of his hiring in 2019, the Company agreed that, in consideration of the fact that 2020 was Mr. Johnson's first full year as Chief Financial Officer of the Company, his equity grant for 2020 would not be dependent on achievement of performance goals set by the Compensation Committee. As so agreed, he received a stock bonus of 22,000 shares of the Company's Class A Common Stock, which was paid in February 2021. Additionally, the Company paid the following compensation to him in February 2020 in respect of his service in 2019: (i) a cash bonus payment of \$315,000 and (ii) a stock bonus of \$600,000 of the Company's Class A common stock.

Mr. Johnson also received compensation for the storage of household goods in 2020 in connection with his relocation to Baton Rouge, Louisiana.

The Compensation Committee approved all amounts paid to Mr. Johnson, and such amounts were determined by the Compensation Committee to be advisable and appropriate in order to entice Mr. Johnson to accept his position with the Company.

Consideration of Prior Stockholder Advisory Vote on Executive Compensation

At the Company's 2020 Annual Meeting of Stockholders, more than 96% of shares present at the meeting for purposes of the proposal were voted to approve, on an advisory basis, the compensation of our named executive officers as disclosed in the proxy statement for that meeting, thus ratifying our compensation philosophy and approach. Our Board of Directors and the Compensation Committee considered this overwhelming support, as well as our past operating performance, in making the determination that the fundamental characteristics of our executive compensation program should remain. The next advisory stockholder vote on executive compensation will occur at the Annual Meeting of Stockholders to be held in 2023.

Other Compensation Components

Discretionary Equity Awards. The Company's incentive compensation program permits the Compensation Committee to grant discretionary equity awards under the Company's 1996 Equity Incentive Plan, as amended, that are not subject to achievement of performance criteria. Except as awarded to Jay L. Johnson, as described above, the named executive officers did not receive discretionary stock grants in 2020.

Perquisites. We provide certain perquisites to our named executive officers, including use of the Company's aircraft and a Company car. Our named executive officers are entitled to use our Company aircraft, including for personal travel. These perquisites provide flexibility to the executives and increase travel efficiencies, allowing more productive use of executive time. More detail on these perquisites and other perquisites provided to our named executive officers may be found in the 2020 Summary Compensation Table.

Deferred Compensation. The Company has a deferred compensation plan for certain officers, including the named executive officers. Under this plan, officers who meet certain criteria are eligible to receive Company contributions into their accounts in the Lamar Deferred Compensation Plan. Officers do not have the option of deferring any portion of their earned cash compensation through additional voluntary contributions to the plan.

The deferred compensation plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due under the deferred compensation plan. When payments

[Table of Contents](#)

under the plan are due, the funds are distributed from our general assets. The Company does not offer preferential earnings on deferred compensation. Deferred compensation is intended as a long-term savings vehicle for our officers in light of the fact that the Company does not offer any traditional pension or defined benefit plan. The Compensation Committee does not consider deferred compensation accounts when setting executive pay levels, since this represents compensation that has previously been earned and individual accounts are a function of personal investment choices and market-based earnings.

Tax Implications

The Compensation Committee awards compensation to our executive officers as it deems appropriate to meet our overall compensation objectives, even though it may not be fully deductible for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). In general, Section 162(m), prevents publicly held corporations from deducting, for federal income tax purposes, compensation paid in excess of \$1,000,000 to certain executives. Historically, this deduction limitation did not apply, however, to compensation that constitutes “qualified performance-based compensation” within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder.

For taxable years beginning after December 31, 2017, the exemption from Section 162(m)’s deduction limit for performance-based compensation has been repealed by legislation known as the Tax Cuts and Jobs Act, such that compensation paid to our named executive officers that is in excess of \$1,000,000 will not be deductible by the Company unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017 and not modified thereafter. Subject to the overall compensation objectives of the Company, the Compensation Committee intends to administer any awards granted prior to November 2, 2017 which qualify as “performance-based compensation” under Section 162(m) of the Code, as amended by the Act, in accordance with the transition rules applicable to binding contracts in effect on November 2, 2017.

Payments Upon Termination or Change-in-Control

We do not have employment agreements or other agreements with any of our executive officers that entitle them to payments upon termination or in the event of a change-in-control, except that unvested shares of the Company’s Class A Common Stock granted to Mr. Johnson on October 8, 2019 vest automatically upon his involuntary termination or death.

Compensation Policies and Practices as they Relate to Risk Management

Our management has reviewed its compensation policies and practices in conjunction with the Compensation Committee to determine if these policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. The Company’s basic compensation structure, as described above, includes base salaries, incentive cash bonuses and, for officers of the Company (including certain non-executive officers), incentive equity compensation that primarily consists of annual performance-based equity awards. In light of this review of the compensation structure and its mix of both fixed and variable compensation, the Company concluded that there are no risks arising from our compensation policies and practices for our employees that are reasonably likely to have a material adverse effect on the Company.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement, for the year ended December 31, 2020, for filing with the Securities and Exchange Commission.

By the Compensation Committee,

Thomas V. Reifeneiser (*Chair*)
John E. Koerner, III

* Appointed October 1, 2019. Compensation for 2019 reflects partial year compensation.

- (1) Reflects the aggregate grant date fair value recognized for financial statement reporting purposes in accordance with ASC Topic 718. With respect to performance-based stock awards, the grant date fair value is calculated assuming the probable outcome of achievement, which on the grant date was expected to be 100% of the target equity incentive award amount, rather than the value of the actual award earned on the date when issued to the officer. For the assumptions underlying the valuation of these awards see Note 15 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020, filed with the SEC on February 26, 2021. With respect to discretionary stock grants, the grant date fair value is calculated as of the date of grant.
- (2) Amounts shown in the "Non-Equity Incentive Plan Compensation" column reflect the incentive cash awards granted at the beginning of each year, earned based on performance during that fiscal year and paid in the following fiscal year. The 2020 awards are described in further detail under the headings "Performance-Based Incentive Compensation" and "Incentive Cash Bonus" in the Compensation Discussion and Analysis and are also reflected in the table "Grants of Plan-Based Awards in Fiscal Year 2020" under the column "Estimated Future Payouts Under Non-Equity Incentive Plan Awards."
- (3) Includes \$105,997, \$94,986, and \$120,234 for Mr. Kevin P. Reilly, Jr. and \$269,028, \$392,910, and \$338,437 for Mr. Sean E. Reilly for the personal use of the Company aircraft in 2020, 2019 and 2018, respectively, as further described below. Includes \$43,579 for Mr. Johnson for storage of household goods in connection with his relocation to Baton Rouge, LA. The amounts included in the "All Other Compensation" column also include the following perquisites provided to our named executive officers (except as otherwise indicated), which are valued at the Company's incremental cost, none of which individually exceeded \$25,000: (a) personal use of a Company car, (b) Company-paid health insurance premiums and medical reimbursements, (c) personal use of a Company-owned recreational facility by Mr. Sean E. Reilly and Mr. Kevin P. Reilly, Jr. and (d) Company-paid premiums for term life insurance for Mr. Kevin P. Reilly, Jr. Executives also have access to a country club at which the Company has a membership, but each executive pays all fees related to such personal use, resulting in no additional incremental cost to the Company.

The Company's incremental cost for personal use of the corporate aircraft is based on the incremental cost to the Company calculated based on the variable costs, related to the number of flight hours used, including fuel costs, landing/ramp fees, trip-related maintenance, crew travel expenses, supplies and catering, aircraft accrual expenses per hour of flight, any customs and foreign permit or similar fees. Our fixed costs that do not change based on usage, such as pilot salaries and the cost of maintenance not related to trips are excluded. The

Table of Contents

incremental cost to the Company for personal use of a Company car is calculated as a portion of the annual lease, mileage and fuel attributable to the personal use.

- (4) Also includes employer contributions under the Company's deferred compensation plan of \$50,000 for each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly for 2020, 2019 and 2018 and \$50,000 for Mr. Johnson for 2020 and 2019.
- (5) No shares were earned based on achievement of performance goals for fiscal 2020 for each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly. Mr. Johnson received (i) a stock award with a grant date fair value of \$600,000 as of February 19, 2020, paid in February 2020 in respect of 2019 performance and (ii) a stock award with a grant date fair value of \$1,442,980 as of March 13, 2020, paid in February 2021 in respect of 2020 performance.
- (6) The ASC Topic 718 value of the shares actually earned based on achievement of performance goals for fiscal 2019, which awards were certified as earned by the Compensation Committee and issued on (i) February 19, 2020, for Mr. Sean E. Reilly, was \$4,084,080 and (ii) March 11, 2020, for Mr. Kevin P. Reilly, Jr., was \$2,927,925.
- (7) Consists of performance-based stock awards in respect of 2018 performance and discretionary stock awards in respect of 2017 performance made in 2018. The ASC Topic 718 value of the performance-based stock awards was \$2,878,040 for each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly. They each earned 100% of their performance-based stock awards based on achievement of performance goals for fiscal 2018, which awards were certified as earned by the Compensation Committee and issued on February 18, 2019. Additionally, on February 26, 2018, the Compensation Committee approved discretionary stock grants to each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly for their 2017 contributions. The discretionary grants to Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly were made on March 9, 2018, after the receipt of necessary approvals under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), and the ASC Topic 718 value of the discretionary shares awarded to each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly was \$986,796.
- (8) Includes the payment of filing fees of \$45,000 on behalf of each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly in connection with filings made under the HSR Act. The Compensation Committee reviewed the legal requirements under the HSR Act and the triggering events for the filing requirement as a result of incentive equity awards granted to such executive officers. Based on this review, the Compensation Committee approved the payment by the Company of the HSR Act filing fees otherwise payable by the executive officers. The Compensation Committee determined that these payments were appropriate because of the unavailability of an HSR Act exemption for receipt of stock by executive officers and because the filing obligation arose as a direct result of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly serving as officers of the Company. The Compensation Committee further noted that the filing requirement was triggered by the cumulative holdings of the executive officers that were received over a long period of time during which they have made substantial contributions to the Company and its growth. Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly each were responsible for taxes due as a result of the Company paying the filing fees and they were not provided a tax gross-up payment related to the imputed compensation associated with this payment on their behalf.
- (9) Cash bonus paid to Mr. Johnson in February 2020 in respect of his service in 2019.
- (10) Shares issued on October 8, 2019 in connection with Mr. Johnson's start date.

- (1) Amounts in this column are included in the “All Other Compensation” column in the 2020 Summary Compensation Table.
 (2) Amounts in this column are not included in the 2020 Summary Compensation Table because they were not preferential or above market.
 (3) This column includes amounts in each named executive officer’s total deferred compensation account as of the last day of fiscal 2020, which includes (i) the following total previous contributions reported in each of the Company’s previous proxy statements: Mr. Kevin P. Reilly, Jr., \$1,111,500 and Mr. Sean E. Reilly, \$815,000; and (ii) aggregate earnings on all previously contributed amounts. This column does not include contributions for each officer for the 2020 fiscal year, which were made in January 2021 and reported in the first column.

The Company sponsors a deferred compensation plan for the benefit of certain of its board-elected officers who meet specific age, years of service and other criteria. Officers that met certain criteria are eligible for annual Company contributions to the plan, depending on the employee’s length of service. The Company’s contributions to the plan are maintained in a rabbi trust. Upon termination, death or disability, participating employees are eligible to receive an amount equal to the fair market value of the assets in the employee’s deferred compensation account either in a lump sum distribution or in twenty percent installments over a five-year period.

Pay Ratio

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, the SEC adopted a rule requiring public companies to annually disclose the pay ratio between their median employee’s annual total compensation and the total compensation of the principal executive officer. The Company’s principal executive officer is Mr. Sean E. Reilly, its Chief Executive Officer.

For 2020:

- the annual total compensation of the median of all Company employees (other than its Chief Executive Officer) was \$62,978.

[Table of Contents](#)

- the annual total compensation of the Company's Chief Executive Officer, as reported in the Summary Compensation Table on page 27 of this proxy statement, was \$3,912,660.

Based on this information, for 2020 the ratio of the annual total compensation of the Company's Chief Executive Officer to the annual total compensation of our median employee, as required to be reported pursuant to Item 402 of Regulation S-K, was 62.1:1.

The annual total compensation of the Company's Chief Executive Officer as reported above is the amount reported in the Summary Compensation Table. As detailed in footnote 1 to the Summary Compensation Table, this amount includes the aggregate grant date fair value of a performance-based stock award assuming the probable outcome of achievement of performance targets, but does not reflect the actual performance-based stock award earned by the Company's Chief Executive Officer.

The median employee was identified using a listing of all employees as of December 31, 2020, and calculating the median amount of total 2020 compensation as it would be reported based on the IRS instructions for Box 5, Medicare wages and tips. Actual amounts reported on Box 5 for 2020 were used for all employees who were employed throughout the entire year. We further annualized pay for those individuals not employed for a full year in 2020. Once we identified our median employee, we calculated such employee's annual total compensation for 2020 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on the Company's payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the year ended December 31, 2020.

The purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee the Company's accounting and financial reporting, internal controls, and audit functions. The Audit Committee Charter describes in greater detail the full responsibilities of the committee. The Audit Committee is comprised entirely of independent directors as defined by applicable Nasdaq Stock Market listing standards.

Management is responsible for our internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements and internal control over financial reporting in accordance with the standards established by the Public Company Accounting Oversight Board (United States) ("PCAOB") and issuing a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee has reviewed and discussed the consolidated financial statements with management and KPMG LLP, our independent registered public accounting firm.

In the course of its oversight of the Company's financial reporting process, the Audit Committee of the Board of Directors has:

- reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2020;
- discussed with KPMG LLP, the Company's independent registered public accounting firm, the matters required to be discussed by PCAOB Auditing Standards No. 1301;
- reviewed and discussed with management and KPMG LLP the Company's report on internal controls over financial reporting and the adequacy and effectiveness of the Company's disclosure controls and procedures;
- received the written disclosures and the letter from KPMG LLP required by applicable requirements of the PCAOB regarding KPMG's communications with the Audit Committee concerning independence;
- discussed with KPMG LLP its independence; and
- considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining its independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2020, for filing with the SEC.

By the Audit Committee,

Stephen P. Mumblow (*Chair*)
John E. Koerner, III
Marshall Loeb
Thomas V. Reifenhaiser

**PROPOSAL NO. 2: RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP, an independent registered public accounting firm, has audited our financial statements for each of the years ending December 31, 2020, 2019 and 2018. Our Audit Committee has appointed them to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2021. Representatives of KPMG LLP are expected to attend the virtual Annual Meeting to respond to appropriate questions. Representatives of KPMG LLP will also have the opportunity to make a statement, if they desire.

Detailed disclosure of the audit, audit-related and tax fees we paid to KPMG LLP in 2020 and 2019 is set forth below. Based on these disclosures and information in the Audit Committee Report on page 35 of this proxy statement, our Audit Committee is satisfied that our accountants are sufficiently independent of management to perform their duties properly.

Although not legally required to do so, our Board considers it desirable to seek, and recommends, stockholder ratification of our selection of KPMG LLP as our independent registered public accounting firm for fiscal 2021. If the stockholders fail to ratify our selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

Audit Fees and Services

The fees for services provided by KPMG LLP to the Company in 2020 and 2019 were as follows:

	<u>Fiscal 2020</u>	<u>Fiscal 2019</u>
Audit Fees ⁽¹⁾	\$2,023,000	\$2,147,184
Audit-Related Fees ⁽²⁾	22,500	22,500
Tax Fees ⁽³⁾	191,496	107,116
All Other Fees	—	—
Total	\$2,236,996	\$2,276,800

- (1) Audit Fees for the years ended December 31, 2020 and 2019 were for professional services rendered for the audits of our consolidated financial statements and review of financial statements included in our quarterly and annual financial statements and subsidiary audits. Audit Fees for the years ended December 31, 2020 and 2019 also include costs associated with KPMG LLP's audit of our internal control over financial reporting.
- (2) Audit related fees consist of professional services rendered for the audit of our employee benefit plan.
- (3) Tax Fees for the years ended December 31, 2020 and 2019, respectively, consist of tax compliance fees of \$65,505 and \$76,501 and tax planning fees of \$125,991 and \$30,615.

The Audit Committee has adopted policies and procedures that require pre-approval of all audit and permitted non-audit services to be provided by KPMG. All fees in the table above were approved in accordance with the policies and procedures established by the Audit Committee.

Required Vote

The ratification of KPMG LLP as our independent public accounting firm will require a majority of the votes cast by the stockholders entitled to vote on this proposal at the meeting. Abstentions, broker non-votes, and votes withheld will not be treated as votes cast for this purpose and will not affect the outcome of the election.

The Board of Directors recommends a vote FOR the ratification of KPMG as the Company's independent public accounting firm.

ADDITIONAL INFORMATION

Other Matters

The Board of Directors is unaware of any business to be conducted at the Annual Meeting of Stockholders other than the matters described in the Notice to Stockholders. If other business is properly presented for consideration at the Annual Meeting, the enclosed proxy authorizes the persons named therein to vote the shares in their discretion on that matter.

Employee, Officer and Director Hedging

Other than its insider trading policy, which prohibits purchases and sales of its securities and related derivative securities while in possession of material non-public information, the Company does not have any policies that prevent employees (including officers) or directors from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in hedging transactions related to the Company's equity securities.

Communications from Stockholders

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chair of the Audit Committee will, with the assistance of our General Counsel, (i) be primarily responsible for monitoring communications from stockholders and (ii) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chair of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Chair of the Audit Committee, c/o General Counsel, Lamar Advertising Company, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808.

Deadline for Stockholder Proposals and Director Nominations

In order for a stockholder proposal to be considered for inclusion in our proxy materials for the 2022 Annual Meeting of Stockholders, we must receive it no later than December 10, 2020 (120 days before the anniversary of the mailing date of this proxy statement), assuming that the 2022 Annual Meeting of the Stockholders is not more than 30 days before or after May 20, 2022.

In addition, our bylaws require a stockholder who wishes to bring business before an annual meeting or propose director nominations at an annual meeting to give advance written notice to the Secretary as described in the bylaws. To be timely for the 2022 Annual Meeting of Stockholders, proposals must be received no earlier than January 20, 2021 and no later than the close of business on February 19, 2021 (120 days and 90 days before the anniversary date of this year's Annual Meeting, respectively), assuming that the 2022 Annual Meeting of the Stockholders is not more than 30 days before or 70 days after May 20, 2022.

Expenses of Solicitation

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others of forwarding solicitation material to beneficial owners of common stock. In addition to the use of mails, proxies may be solicited by our officers and any regular employees in person or by telephone. We expect that the costs incurred in the solicitation of proxies will be nominal.
